Storage Container

Cost

We have one size of storage container. There is an initial \$77.96 delivery charge. Pickup charges and rent are as follows:

22' X 8' container	\$ 77.96	per final pickup or moving
	\$ 3.34	per day rental charge
	\$100.00	per month rental charge
	\$500.00	pre-payment "see below for pre-payment terms"

Service

After the service contract is signed and pre-payment is made we will deliver your container as soon as possible. You will need to tell us where you want the container placed. It must be in an area that is accessible to our truck and does not pose any safety hazards. To schedule a pickup you MUST notify our office during our business hours or leave a message on our voice mail. Most pickups can be made within a 24-hour period. Please allow 24 to 48 hrs. for pick-up. Please keep from blocking access to the front of container, if we are unable to pick-up your container as scheduled; there will be a return trip charge. The party signed below is responsible for damages other than normal wear and tear.

Billing/Required Pre-Payment

Customer shall make a \$500.00 pre-payment to Company. If Customer exceeds this pre-payment amount, Customer must make an additional pre-payment for continued service. If Company does not receive the additional pre-payment within 5 days of notice, Company will pick up the container and any material in it will be left at Customer's site. If the amount of pre-payment exceeds the charges for service, Company will refund the excess amount within 30 to 60 days for processing after the final pick up. Company may impose and Customer shall pay a late fee on all overdue payment of 1% per month or 12% per annum, it being agreed that such late fee shall not exceed the maximum rate allowed by applicable law. Company may terminate this Agreement if Customer fails to pay for service charges or should creditworthiness of Customer not be acceptable to Company.
